

Global Camps Africa

Empowering Children For An AIDS-Free Tomorrow

Transform your personal legacy into a *global* legacy.

Your will is an opportunity for you to take care of those you care about most. By listing Global Camps Africa as a beneficiary, you can expand that care beyond family and friends to help young people affected by HIV and give them hope for healthy, productive lives.

Global Camps Africa changes the lives of South Africa's vulnerable children and youth by providing HIV-prevention education and training through high-impact camp experiences and continuing education, equipping young people with the life skills that will support them in becoming safe, productive adults who have hope for the future. With your support, we reach more than 420 new children with the Camp Sizanani and Youth Clubs programs each year.

Naming Global Camps Africa in your will means many things:

- Additional young people will continue to benefit from our camp programs by attaining the skills and knowledge necessary to protect themselves from HIV infection or live positively with HIV. They will be empowered to take control of their lives and to dream, plan, and achieve a future brighter than they ever thought possible for them.
- Campers can continue to meet and support each other, building friendships and gaining access to services like HIV testing and counseling and social services through referrals from Camp Sizanani.
- GCA will be equipped with the tools we need to reach more campers and expand our capacity for helping young people in need.

Your gift will bring relief to Africa and will be a source of pride to your own family. It's simple to do, and may even provide tax benefits for your heirs.

- GCA is a 501 (c)(3) charity, meaning we are tax-exempt. Since retirement plan assets can be subject to federal estate and income taxes, a donation to a tax-exempt charity means protection for your heirs from heavy taxes.
- If you would like to support Global Camps Africa's mission by naming us as the beneficiary of either a percentage of your estate or a fixed dollar amount, ask your estate planning attorney about adding this language to your will or living trust:

"I, [name], of [city, state ZIP], give, devise and bequeath to Global Camps Africa, 1606 Washington Plaza, Reston, Virginia, [written amount or percentage of the estate or description of property] for its unrestricted use and purpose."

Naming GCA in your will allows you to provide a vitally needed helping hand to children and youth affected, by HIV/AIDS. With your support, Global Camps Africa's fight to empower children to be healthy and productive citizens in an AIDS-free tomorrow will continue into the future.

Please make a plan to help.
