## EXPERIENCE

### **KHS Bicycles, Inc.**

Compton, CA / March 2016 - Present

Freelance Product Designer

Collaborated with engineers to develop bicycle frames and accessories and new brand identity for KHS Bicycles.

### **Hewlett-Packard**

Shanghai, China / January - April 2015

Industrial Design Intern

Worked closely with interaction, user experience, visual experience, consumer education, research and development, and marketing teams to design future printer concepts.

### **Second Sight Medical Products, Inc**

Sylmar, CA / January - March 2014

Product Design Intern

Improved mechanical and ergonomic factors of medical equipment for the visually impaired by prototyping through usability studies.

### **Art Center DesignFlashes - Volo**

Pasadena, CA / September 29 - October 3, 2014

Participated in an one week workshop to design a multi-functional table with a focus on 3D modeling, CMF (color, material & finish), and manufacturing.

### **Extreme Wearables Designathon -**

#### **Media Design Practices at Art Center College of Design + Intel**

Pasadena, CA / June 27 - 29, 2014

Developed wearable technology concepts that enhance superhuman sensory perception to source water in extreme conditions. Created in conjunction with a large cross-disciplinary team and built a functional prototype.

### **MAKEwithMOTO - Motorola**

Pasadena, CA / May 31 - June 2, 2013

Collaborated with mechanical engineering students at California Institute of Technology to design a sign language translator for the hearing impaired.

## EDUCATION

### **Art Center College of Design**

Pasadena, CA / December 2015

Bachelor of Science in Product Design

## SKILLS

### **Specialties**

Ideation, Sketching, Rendering,  
Rapid Prototyping, Model Making,  
3D Modeling, User Research,  
Mobile Interface Design

### **Tools**

Photoshop, Illustrator, InDesign, Solidworks,  
SketchUp, Keyshot, Zbrush\*, Arduino\* (Familiar\*)

### **Languages**

English (Fluent)  
Mandarin (Native)

## RECOGNITION

### **SaloneSatellite - Salone del Mobile 2015**

The Ariel Bike Chair was exhibited

### **Extreme Wearables Designathon - Media Design Practices at Art Center College of Design + Intel**

Finalist for the team Compass H2O

### **Art Center Chinese Student Association**

Vice President Summer 2014- Summer 2015
