

JOIN WITH US TO PRESERVE LORDS PARK

Lords Park has been a large part of Elgin's history since it was donated to the city in October of 1892 by George P. Lord and his wife Mary Edwards. Since that time many changes have been made to the park, but it continues to be the flagship of the city's park system. Unfortunately, the resources available to maintain and improve the park have been diminished since the recession of 2008. We do not want to see the park in an unmaintained state, so we are asking that Elginites who love and value Lords Park partner with us to ensure the park has a bright future.

ELGIN PARKS AND RECREATION FOUNDATION

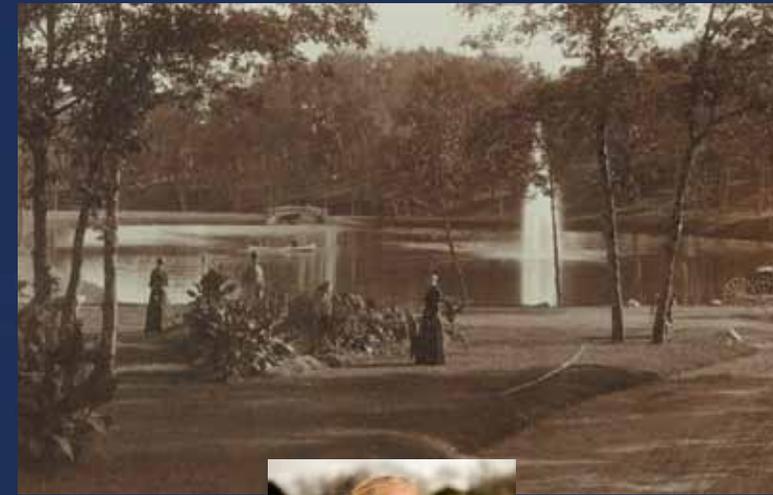

Incorporated in 2013, the Elgin Parks and Recreation Foundation is a 501c3 not-for-profit organization whose mission is to enhance the quality of life and strengthen the Elgin community by making recreation and cultural programs, parks and recreation facilities accessible to all residents.

To accomplish this mission we partner with many different organizations and individuals who are passionate about our parks.
