

JOIN WITH US TO PRESERVE ELGIN'S HISTORIC PARKS

Elgin is blessed to have many beautiful and historic parks such as Gifford, Lords, Wing and Trout Park. Unfortunately, the resources available to maintain and improve the parks have been diminished since the recession of 2008. We do not want to see these parks in a diminished state, so we are asking that Elginites who love and value them partner with us to assure they are properly maintained and preserved for future generations. There are many ways to do this, as outlined inside of this flyer.

ELGIN PARKS AND RECREATION FOUNDATION

Incorporated in 2013, the Elgin Parks and Recreation Foundation is a 501c3 not-for-profit organization whose mission is to enhance the quality of life and strengthen the Elgin community by making recreation and cultural programs, parks and recreation facilities accessible to all residents.

To accomplish this mission we partner with many different organizations and individuals who are passionate about our parks.
