Dear Valued Customers,

We at A.J. McCullough Carpentry have been blessed to work with so many amazing clients of the last 7 years, some have even become like family. It's incredible to be able to look back at these years and know that we made it through some of the toughest times in the economy. You've kept us working and we cannot thank you enough for entrusting us with your homes.

Recently, we've made some changes to our company that came after long and hard decisions. These changes are essential to the continued growth of our company toward the direction we see best for our families. We have decided to hone in on the skills and talents our crew excels in. ***A.J. McCullough Carpentry will now be focusing our work on custom interior work; which will include bathroom, kitchen, bedroom, basement and any interior room remodels. We will also be specializing in custom tile work and finish woodworking.*** Our love and passion for this area of work is like no other and we truly believe focusing on these types of projects will help us stand out from others in the industry.

With that being said, we hope we don't discourage any loyal customers from reaching out if they have a project that may fall outside of these realms. We will be working with other talented contractors who are fully licensed and insured that should be able to complete work we are no longer focusing on. We also have current contracts for those types of projects that we will be honoring and completing.

We hope you can understand our changes and continue to support us during this adjustment period. Please, don't hesitate if you have any questions, comments or concerns. We always look forward to hearing from our loyal customers.

Thank you for your patronage over the years, we truly appreciate every project we've had the opportunity to work on and look forward to the new projects ahead.

Sincerely,

Andrew McCullough & Crew  
A.J. McCullough Carpentry
