

Speech Sound Screening

Leap Therapy for Kids is offering a complementary speech sound screening clinic, administered by a registered speech-language pathologist, on **Friday, November 7 from 10am to 12pm.**

This screening is for children ages 3-5 whose parents/caregivers have questions or concerns about their speech sound productions, pronunciation, or articulation. Drop-ins will be accepted but it is recommended that families call to book a clinic time.

Please contact Leap Therapy for Kids at 604-770-0101 or info@leaptherapy.ca to register and for any additional information or inquiries.

Amanda Goodison is a registered Speech Language Pathologist (SLP) with more than 9 years of experience in pediatric speech and language therapy. Amanda's areas of interest and continuing education have included Autism Spectrum Disorders, Childhood Apraxia of Speech, fluency (stuttering), phonological disorders and articulation, and parent coaching for language facilitation.

If families have concerns regarding their child's language development outside of speech sounds, they can contact Amanda at amanda@leaptherapy.ca
