HANDEYEFUND

NY NOW  
THE MARKET FOR HOME, LIFESTYLE + GIFT

Artisan Resource is a first-of-its-kind market offering U.S.-based volume importers, direct import retailers, distributors, independent retailers, wholesalers and designers the opportunity to meet with international artisanal producers from around the world.

As part of the Handmade Collection at NY NOW, Artisan Resource is the production-sourcing section of the Market for overseas artisan producers to present their handmade export product collections & custom arti-

san production capabilities at export terms from their country of origin.

# ARTISAN resource®

Be sure to visit the new Innovation Showcase companies exhibiting in Handmade Global Design for the first time in NY NOW in the River Pavilion Aisle 600!

Photo: Ann Ong

ByHand Consulting provides market-driven solutions for the global artisan sector. We build relationships, strengthen entrepreneurial skills, expand markets, promote craft traditions, and encourage the sale of beautiful handmade products.

Founded by Colvin English and Karen

Gibbs, ByHand Consulting connects buyers to new artisan suppliers and helps artisan enterprises build long-term relationships.

*byhand*  
consulting

## ByHand Consulting's programs @ NYNOW include:

### Artisan & Handmade Seminar Series:

8 sessions to explore best practices in design, marketing and promotion of artisan products from market experts and sector leaders.

### Market Incubator @ Artisan Resource:

a market entry & mentoring program for first-time international artisan businesses new to NY NOW.

### Innovation Showcase @ Handmade

Global Design: a market entry & mentoring program for first-time US wholesale companies new to NY NOW offering global handmade products.

**Design Council:** bringing seasoned design professionals together with emerging artisan businesses to build successful collaboration through new and innovative design. ByHand Consulting offers these programs with the generous support and collaboration of HAND/EYE Fund and NYNOW.
