HELEN BERGIN INTERIORS
OWNER

Helen Bergin Interiors is a full-service interior design firm that is known for vibrant patterns, worldly color, and avant-garde concepts. The firm strives to curate something outside the familiar while creating layered and balanced designs that stand the test of time.

HBI believes design should be personalized to fit each client. We aim to understand our clients on a personal level so we can deliver on a vision for the home that embodies what home means to them, embraces the past and the present while aiming to deliver a coup de foudre every step of the way.
