Skill Builder block-of-the-month September 2016

This quilt block was featured in the *Fons & Porter Quilting Quickly* Fall 2014 magazine. A digital copy of the pattern is available online.

Inspired by a quilt and instructions by Billie Lauder, (Quick Quilt Tricks 2nd Edition), Diane Tomlinson designed her quilt to use pre-cut 10" squares. Reflections is a batik quilt whose blocks are made using two triangle units that reflect one another. Learn how to make this quilt in a video tutorial by the Fons & Porter staff.

Below are the instructions passed out at the skill builder session at the September 2016 guild meeting. More complete instructions can be obtained by purchasing the pattern or watching the online video.
