

He Loves Me! Class Supply List and Materials Fee

This project will yield a 43" X 43" quilt. The project can be done with machine applique or hand applique. For this class we will be focusing on machine applique. If you chose to do hand applique please know that you will *not* finish the project in the allotted class time.

CLASS SUPPLY LIST (Class participants must bring these items to the class)

1 yard background fabric (gray is what I used)
1 ¼ yd sashing, outside border and binding fabric (I used a darker grey)
¼ yd inside border (red)
16 - 2' x 2' square scraps for cornerstones (I used a variety of reds from my scrap bin)
5 - 12" squares of red for the hearts (again from my scraps or fat quarter bin)
Fat quarter (white for flower petals)
8" x 8" green for flower stems
4" x 10" yellow for flower centers
2 yards of your favorite paper backed fusible
3 yards of backing fabric
Rotating or standard cutting mat
28mm rotary cutter with a sharp blade.
Marking pen suitable for embroidery
Applique Pressing sheet
Matching thread for piecing and applique.

MATERIALS FEE

- The class materials fee includes 1) the pattern "HE LOVES ME" is \$9.95. and 2) the ruler is \$22.05.
- Total fee: \$32.00, payable to Cheryl Kirk
- NOTE: If Cheryl can get the ruler any cheaper she will, and will pass on the savings.
- Hearts and More Small ruler template set will be provided in the materials fee along with the pattern unless you already have one or choose to trace your appliques. I must know this in advance so I know how many ruler template sets to order.

SPECIAL INSTRUCTIONS for ALL PARTICIPANTS:

1. In order to accomplish what we need to in this class, I am asking that you have some of your fabric pre-cut before class.
2. This pattern calls for some embroidery on the blocks. We will **not** complete the embroidery in class. If you do not like embroidery, it can be done with fabric markers and I will have those at class for those who would like to go that route.

Cutting instructions

Cut 9 – 12" squares of your background fabric
Cut 24 - 2" X 10 ½" strips for sashing
Cut 16 – 2" squares of red for cornerstones.
