## STEINBACH FORUM

*Steinbach Emmanuel Evangelical Free Church*

*November 2, 2014 @ 6:00 PM*

*360 McKenzie Avenue, Steinbach, Manitoba*

### *Featuring Beatrice Littlechief*

Beatrice lived a life of “survival” – abandoned by her birth parents & then later by her adopted mother Beatrice learned to fend for herself. The use of drugs & alcohol gave her a way to flee, to forget the pain of rejection, sexual exploitation & abuse she faced living life on the streets. Ten years ago, in desperate longing for change in her life Beatrice cried out to God for help & he miraculously intervened. Through the love & encouragement from people at a local church Beatrice began a relationship with God & started the journey of healing from the abuse & addictions that had so long been a part of her life.

Co-sponsored by The Evangelical Fellowship of Canada and Defend Dignity

Networking opportunities with local organizations that work with/for sexually exploited women will be available at this event.
