I wish to support the Lost Barn Farm and community supported agriculture by becoming a share member. I understand that I am making a commitment to the Lost Barn Farm and recognize that I will share both the rewards and the risks of the growing season along with the other members. It is my responsibility to pick up my share within the scheduled pickup hours, or to make other arrangements if this is not possible by contacting the farm ahead of time. If it is not picked up, I understand that my share may be donated elsewhere.
