

Down with Darkness

("Banou Choshech Legaresh")

Levi - Tanai
Strongly accented

E. Amiran

Down with dark-ness, up with light; Up with sun-shine, down with night.
Down with dark-ness, up with light; Up with sun-shine, down with night.

Each of us is one small light, But to-geth - er we shine bright.
Small lights gath - er one by one, Drive out dark till night is done.

Go a-way, dark-est, ~~deepest~~ ^{deepest} night, Go a-way, give way to light!
Go a-way, dark-est, ~~deepest~~ ^{deepest} night, Go a-way, give way to light!

My little lamp needs kindling,

Dear Lantern guard me with your light.*

Rou-cou, rou-cou.*

Little stars a-shimmer,
Over rock and stock and stone,
Wander tripping little gnome,

Lantern Walk

Star Secrets (tune of "Twinkle, Twinkle, Little Star,

Twinkle, twinkle, little star,
How I wonder what you are,
Art a gateway in the sky?
Art a little angel's eye?

Shine your starry light to earth,
Bring a thousand stars to birth.

Stars in seed pod, apple, pear,
Stars in flowers everywhere.

So you guide me near and far,
Twinkle, twinkle, little star.

The musical score is written on four staves in treble clef with a key signature of one sharp (F#) and a 6/8 time signature. The melody is simple and repetitive, following the tune of 'Twinkle, Twinkle, Little Star'. The lyrics are written below the notes, with some words in italics. The lyrics include: 'I We walk with my lit-tle lan-tern, My lan-tern, my-self and I. We walk with our lit-tle lan-terns, Our lan-terns so shin-y bright. We you-der bright lit-tle stars shine; Down here we're stars to the sky, The wan-der through the dark-ness With wink-ing twink-ling light. Like new moon shines, The cat me-ows. Meh! Meh! Meh! Ra-bim-mel, ra-bum-me stars that swing ~~our~~ lan-terns we bring. beh! Meh! Meh! Meh! Ra-bim-mel, ra-bum-mel, ra-beh!
