We welcome you to call or email anytime to check on your wait list status or update your information. Generally, we do not call families on the wait list until there is an opening available. If a space has been offered to you and you do not reply within 48 hours, we will offer the space to the next name on our waitlist. In addition, if we have made more than three offers, and you have passed on these offers, you will be removed from the wait list.
