

A Musical Bonanza

Friday 4th Sept
7:30-9:30pm

Free Entrance and Refreshments...but donations welcome... Artwork and jewellery also on sale.

The Lane family and friends are planning to visit Uganda next summer to run a Holiday Club at Namadhi Orphanage. All funds will support this venture!

At Church of the Good Shepherd Crookhorn Lane PO7 5QB

Reports & Updates

A lot of progress has been made on the **Kitchen & Dining Hall** but it is not completed yet...shutters are now being put in, then plastering and painting.

Kindergarten Has been built to wall plate level but we need more funding to complete this facility for the 3-8 year olds.

A FIRST MINI-VAN FOR NAMADHI

The secondhand mini van was purchased on 29th June (a generous gift from a UK sponsor). Former Namadhi student, Andrew Wambuzi, (the newest qualified driver whose course and test expenses were paid for by a UK sponsor), won the job as it's first driver. "It was all joy, ululations, excitement and tears for students, staff and him."

Here is Elijah dancing a jig with Andrew!

Now any emergency can be met and supplies brought in.

Fundraising Success

Since April some effective fundraising events have been held.

May was designated 'Will Writing Month' by Sandra Rampton who raised the awesome sum of **£900** by offering her standard Will Writing service for £95 and donating all proceeds to provide a 2-year teacher training course (£450 a year) for a suitably qualified school leaver from the Orphanage.

A delicious Indian Meal for 20 was provided by an Indian supporter which raised £330 towards mattresses for unsponsored children. Mattresses cost £20 each and Elizabeth Pearn and friends have raised enough money altogether to buy 100 mattresses bringing comfort and care to more of our children.

Keeping in touch!

Sending a letter with a photo and telling your sponsored child a little about your life will bring great pleasure and comfort. For security reasons don't disclose your address, telephone number or email. The address to write to is:

Name of child

Hands of Love Foundation

P.O. Box 6089, Kampala, Uganda, East Africa.

Congratulations to Senior School Headteacher Annet.

On 30th June she had a healthy boy, Jethro. She is on Academic and maternity leave until 31 August. She is working on her Masters in Education Foundation at Makerere University. Despite her high qualifications and the many

opportunities open to her she has chosen to stay at Namadhi to "serve the leaders who will transform Uganda and beyond."

New Appointment at Namadhi

An acting Supervisor for Hands of Love Namadhi Campus.

Since 1st June, Richard Zziwa (34) has been appointed to manage the complex daily running of the campus and to make a report directly to Pastor Elijah each month.

New Trustee for Hands of Love UK

We're delighted to welcome Justin Osmond, who recently took early retirement from the Royal Navy, to our team of Trustees.

Legacy Giving...what will be your lasting legacy?

Together we can make a vital difference in the lives of otherwise abandoned children whose right to a fulfilled life is as precious as our own children.

When you think about writing your Will please remember the work of Hands of Love UK.

Mission Trips to Uganda 2015

Elizabeth Pearn and Josh Smith fly out for 10 days in September! Elizabeth will be teaching as well as advising and supporting teaching staff. Josh plans to make a video about life at Namadhi and to film the choir. Our new Trustee, Justin, will be spending time with Elijah and meeting the staff and children of Namadhi in October.

Annual Accounts

HOL Accounts are currently being assessed by an Independent Examiner and will be submitted to the Charity Commissioners by the end of August in compliance with Charity Commission regulations. Go to www.gov.uk/charitycommission to see all accounts in detail. HOL Annual Report will also be submitted.

Holiday Club planned for Namadhi 2016!!

The Lane family and other HOL supporters are planning to take a full scale Holiday Club to the children of Namadhi in August 2016. There will be music, drama, lots of games and puppets which we hope will bring

much joy and interest to the lives of the children. They don't get any holiday or any outside stimulation and so we hope this fun time will bless the teachers and children alike. We hope to take ukuleles (please grab any you see in charity shops) to teach the basics and leave them behind. Puppets and drama will all be part of the happening. The teenagers and the Lane family have started fundraising for air fares and accommodation while there. Please support the Fundraising 'Musical Bonanza' on 4th September. Contact Sara Lane for more details Tel: 023 92 787000

Without you, feel-good moments wouldn't be possible...

A very big thank you to all our sponsors...and a warm welcome to the 14 additional people who've started sponsoring since March. But over 500 children still need help! Will you ask friends and family to give themselves the pleasure of making a huge difference in a child's life by becoming a sponsor? Contact: sponsorship@handsoflove.org.uk for more information.
