Sponsorship Child handsoflove.org.uk
Reg. Charity No. 1123685

*Providing relief, hope
and a future for some of
the most vulnerable
children on earth.*

Each child that is sponsored is saved from a life that is lacking not only in the basics of food and clothing, but also in care and hope. Child sponsorship with HOL should be seen as a long term financial commitment that grows until your child has achieved a level of independence.

For £20 per month your child will receive:

- regular nourishing meals;
- a blanket;
- a mosquito net;
- basic school equipment;
- one uniform & pair of shoes a year and a set of weekend clothing;
- expert coaching in Kampala for major exams. (In 2010 one of our children was 21st out of the whole of Uganda, in his Primary 7 exam.)

Other Giving Opportunities:

- Staff Sponsorship;
- Project Sponsorship (building/well etc.);
- Fundraising;
- Provide a one-off care package;
- One time donations;
- Offer your time and skills to HoL UK team;
- Visit Hands of Love in Uganda.

£25 or more per month allows you to make a regular extra donation in addition to your child's sponsorship fee, to support the general fund for education, feeding the unsponsored and other costs of the orphanage.
