

## **Camp Tomah Shinga Wish List**

We have a variety of needs at camp and would be blessed with any time, talent, prayers or donations. This is not a complete list, so if there are ways you see yourself, your youth group or congregation would like to get involved, give us a call or mail us! Consider our "wish list" and if there is something you see that you would be able to help with, contact Ben or Jamie and we would love to talk about how you can bless the camp!

If you are a member of Thrivent, please consider using an Action Grant to help further our ministry!
