## VISION STATEMENT

*We are dedicated to providing quality care to children with and without disabilities. We are committed to full inclusion and offering play based social skills themed programming.*

**Inclusion:** *We are committed to having a fully inclusive environment for all students.*

**Professionalism:** *We ensure we are always interacting with parents, students and other staff in a friendly professional manner.*

**Compassion:** *We approach each student with kindness and respect. We assume best intentions. We assume all behavior is communication.*
