Final Report Due Date

It is the policy of the Medina County Arts Council to fund only organizations that demonstrate fiscal responsibility. This includes prompt and complete follow-up reports on any previous Council grants. Submission of timely final reports is important to the Council as it ultimately allows us to serve our arts organizations more advantageously. Please complete this final report **within 60 days** of the completion of the project or the grant period for which the grant was allocated and return it along with sample printed materials from the project (fliers, print ads, programs, etc.)

You must fill out this form completely, but you may attach additional information.

If you have any questions, please call 330-242-4452 and leave your message, name and return phone number.

An Arts Council representative will reply to your inquiry as soon as possible.
