

The Medina County Arts Council is proud to sponsor the Bicentennial Scavenger Hunt  
June 16 to July 16, 2018

Join us in celebrating Medina's art and history by walking around the square and surrounding areas, looking for the "Medina Markers" shown below. Get some exercise and fresh air while looking at the sights and different art and architecture here in Medina.

- Please provide the information requested to the right. This information will be used to contact the winners.
- Find all the "Medina Markers" and note the building/address/item on the form (examples on flyer/poster). Unless otherwise noted, all items are on or within one block of the square.
- Two of the items will require the submission of a photo of the building/structure/item taken by you. This requirement is listed under the "Medina Marker" in the list that follows.
- See cover sheet for entry form methods of turning in your entry form. Good luck and good hunting!
