SNOREPOCALYPSE II: SNORE WITHOUT CEASE!

SETTING — Shared bedroom of two people, night.

CHARACTERS — LOVERS 1 and 2.

AT RISE — LOVER 1 is trying to sleep, but LOVER 2 is snoring the walls apart.

LOVER 1

Hrrrrrrnnnnngh!

(presses pillow over head; this does not help)

Hey! You're snoring again.

The snoring continues apace.

LOVER 1 (cont.)

Ugh!

LOVER 1 moves to the farthest corner of the bed. LOVER 2, still deep in snoresville, does the same, face right to LOVER 2's ear.

LOVER 1 (cont.)

HEY!!

This does nothing.

LOVER 1 (cont.)

I ALSO NEED TO SLEEP!!

Nothing. LOVER 1 tries to push LOVER 2 away. LOVER 2 flops back. Snoring worsens.

LOVER 1 (cont.)

All right—that's that.

LOVER 1 angrily grabs a pillow and blanket and begins to stalk out of the room, but LOVER 2, still snoring, has sleepwalked to the door and is blocking it.

LOVER 1 (cont.)

Come on!!

LOVER 2 drapes self around LOVER 1, snoring as close to LOVER 1's face as possible.

LOVER 1 (cont.)
Help!!!

LOVER 1 staggers backward, LOVER 2 still snoring and in tow. LOVER 1 pushes LOVER 2 with all his/her might, and LOVER 2 bounces against the door, only to return right where he/she started—draped around LOVER 1.

LOVER 1 (cont.)
Help!!!

LOVER 1's continued efforts to get away accidentally land them both back into the bed, in their original configuration.

LOVER 1 (cont.)
Just kill me and get it over with.

LOVER 2
(in the middle of snore)
No—it is not yet your time. First, you must suffer.

LOVER 2 returns immediately to snoring. LOVER 1, broken, begins weeping.

END OF PLAY.
