DO THIS

**MORNING TIME**

When you go in your child's room this month say, "Good morning! There's my big boy/girl! (Give your child a big hug and hold them.) Mommy/Daddy loves you. [Sibling's name] loves you. [Names of other special people] love you. And God loves you!"

**DRIVE TIME**

As you put your child in his/her car seat, name the things that are with him/her as you point to them. For example: "Your favorite toy is with you. Your bag is with you. And God is ALWAYS with you!"

**CUDDLE TIME**

Cuddle up with your child this month and pray, "Dear God, thank You for giving [child's name] to me. I love him/her so much. It's amazing to think that You love him/her even more! We know You are always with us—at school, here at home, when we drive in the car! Help us to remember that so we can be brave and do what You want us to do. We love You, God. In Jesus' name, amen."

**BATH TIME**

Ask your child which toy he/she would like to be with him/her during bath time. As you bathe your child, ask a few times, "Where's your [name of toy]? Is it with you?" As you dry your child off tell him/her, "God is always with you, because He loves you!"
