I am in the middle of getting my company taxes together to take to my accountant tomorrow. Thought I would be finished to make the meeting, but I'm not. Hope to meet everyone the next time!!

John and I are still recovering from the Flu, and are not yet socially acceptable. Have a great meeting, guys.

Figures I would make plans and they get changed - I might be coming.

Sounds great and like something that I would love to be a part of! Sundays are difficult to schedule. Next time!

Thought I could be there and just realized I will be out of town. Have to catch the next one.

Cool Randy. I might have to come down to to an #ATLBLOG meetup. I'm always looking for an excuse to go to ATL so I'll tell the wife it's for business and drag her down again.

OK CLT, Ive been hoping for an event that I could make and this is it. I'm an ATLanta GA member so breakfast events are not possible but this one looks great. #ATLBLOG MeetUp was last night and was awesome. You kids are welcome to come down next month for our special presenter... Seth whatshisname;-) I will be inviting some Atlanta tweeps to join me in Clt. I'll dub this SxI85....hey thats a great idea. So I just created SxI85.com and created a site for social media groups and events from Greensboro to Atlanta. Its barely there now but will grow. Check it out

Really hate to miss it, but the 14th is my birthday and I'll be laying on a sunny beach!
