

Where our Missions Overlap

*The mission of the **CFA** is to develop and implement a community conservation vision to build awareness, protection and stewardship of the region's important natural resources .*

*The mission of the **OBCF** is to successfully allow open communication between the collaborating partners to achieve forum goals for the conservation, protection, and restoration of the Onslow Bight Landscape.*

*The mission of the **NCLC** is to promote the maintenance and restoration of North Carolina's longleaf pine ecosystem, including its cultural and economic values, by forming a collaborative network of diverse stakeholders to provide strategic leadership across the historic range while also supporting local restoration activities.*
