

Application for Membership

The aims of the Club are to find, restore, display and ride old or interesting cycles in Western Australia, particularly if they are Western Australian cycles, because we feel that they are a part of Western Australian heritage and should be preserved for future generations.

We meet at 7:30pm on the third Monday of every month, except December, at 6 Hickey Street, Ardross, at the foot of Wireless Hill.

Come along to a couple of meetings and see what we're about. We have regular social rides and displays, usually in the metro area. We cater for all ages and abilities of participants.

Family membership fee is \$25 which includes our bi-monthly newsletter and access to years of cycling experience and technical knowledge. A joining fee of \$5.00 is charged with your initial membership fee. Either return the completed form at a club meeting or post with payment to;
