SERIES: UNFINISHED

About: Too often teens feel like they have to be a finished product. This pressure comes from every direction - school, home, friends, and sometimes even the Church. But this idea of having to be everyone else's standard of "perfect" couldn't be further from the reality God designed us for. Whether it is this world, our country, our community, or our own hearts God speaks the words - "I am not finished with you." All he asks is that we respond with trust.

SERIES: PATHWAYS & PROVIDENCE

About: St. Paul told the Galatians "For freedom Christ set us free (Galatians 5:1)." But oftentimes when we hear the word morality we think of "restrictions" and "rules" instead of a pathway to happiness both in this world and in eternity. This series on morality aims to change our perception and show us the path to the Father who has great plans for us (Jeremiah 29).

SPRING 2017

JANUARY

SERIES: SEX POSITIVE

About: Sex Positive takes on modern views on sexuality. It brings to light and challenges the messages we receive through modern culture and particularly the mass media. It explores the Church's teaching on the nuptial meaning of the body, the purpose of sex, self-giving love (free, total, faithful, fruitful) and how to faithfully live out self-giving love and chastity in all vocations. Furthermore, it accomplishes this through the lens of truth, beauty, and goodness and an understanding that we (including our sexuality) are created 'very good' by God.

SERIES: BROTHER'S KEEPER

About: "You shall love your neighbor as yourself" is the second greatest commandment Jesus ever gave (Matthew 22:39) and we find one of His strongest statements in the Gospels declared when He says, "whatever you did for one of the least brothers of mine, you did for me (Matthew 25:40)." Our lives depend on how we interact, care for, and love one another. This series on the social doctrine of the Church seeks to reveal how we as followers of Jesus are to be a light to our neighbor and the world in the midst of darkness.

SERIES: THE FOUR MARKS

About: We say it every single week. "I believe in one, holy, catholic, and apostolic Church." These words of the Creed are the same words that many before us have fought and died for. They are words that make us a part of something bigger than ourselves. They are words that make us an instrumental piece in God's beautiful plan for the human race. Yet speaking that we believe in the Church doesn't automatically make us see the greatness, glory, beauty and majesty of the Church Jesus established and surely doesn't automatically change the way we live as a member of Christ's body. This series is for us to realize what it means to be part of the Catholic Church, and allow ourselves to be transformed into members who know we need the Church to know Jesus.
