Westminster Presbyterian Church of Versailles, MO, was organized in 1902, and the current church building was constructed in 1954. In 1962, an educational annex with office facilities was dedicated. This active congregation currently has 73 members.

The church is located in the heart of rural Morgan County, only 10 miles from beautiful Lake of the Ozarks. Just one block from downtown Versailles, the small family oriented church is open to anyone that desires a relationship with Christ. Members are “committed to worship that engages us with the Holy God, and pushed us out into the world as disciples.”
