

# Roofix roofing repair coming to a TV near you soon!

FLAG Paints has been manufacturing special purpose

paints since 1939, Roofix 20/10 is FLAG's highly popular flat roof repair product, offering instant waterproofing with easy one coat application, even in damp conditions. Roofix 20/10 is a single pack acrylic based compound with built in Draylon fibre reinforcement, providing excellent flexibility and durability designed

to protect in excess of 10 years. Sales Director Martin Noon claims, "modern roofing compounds are very easy to apply and the 1 hour live DIY shows, regularly featured on Ideal World, prove the point". FLAG Paints has been selling Roofix 20/10 to the trade since 1987 and the retail version Roofix M has

been selling on Ideal World since 2008. Roofix offers simple application with superior performance using a fraction of the time, effort and cost when compared with many other types of applications and repairs – straight out of the tin!
