HIGHWAY #1 EVENT SIGNAGE

Each day, thousands of people travel along Highway 1. If you want to connect with potential visitors to your show, consider advertising your Heritage Park event on the Heritage Park directional billboard prominently located east bound on Highway 1, just west of Exit 116.

COST:

Gidney Signs can help you create a 4' X 14' Coroplast insert sign which Heritage Park will put up for you. For a nominal fee of \$150 plus tax per week, you can inform potential customers that your show is worth a visit. Once your show is over, Heritage Park will remove your sign and will store it for you, free of charge! This is an economical and efficient way of promoting your show so reserve your spot today!
