

THE WORKSHED BRIEF

PROVIDER OF AUTHENTIC CO-WORKING SPACES
& PRIVATE OFFICE SPACE.

about us

Workshed is a coworking community that aims to provide a workspace that is comfortable and affordable for freelancers and startups to nurture and grow their businesses.

We are a dynamic coworking community of startup founders, freelancers, entrepreneurs and small teams who are working to build dreams. Workshed is about community just as much as it is about space. We are tailored to different personalities or businesses making it easy to work, learn, and network with likeminded people. Every space is only as strong as its members, so we encourage our members not to be afraid to come out to events, meet new people, and pull other members in on projects that make sense.

Our coworking space offers our members a collaborative, engaging work environment that shares resources and ideas.

our mission & vision

At Workshed, we believe early-stage entrepreneurs and independent professionals should have the opportunity to work in a decent environment that promotes efficiency. Our goal is to provide such workers with beautiful workspaces they can call home without breaking the bank. Workshed's mission is to 'promote growth by creating a community workspace that caters to the needs of young entrepreneurs, and provide a comfortable working environment that helps spark creativity and increase productivity.

our brand promise

'Relate + Innovate + Grow' (RIG). We at Workshed are committed to ensuring that our members scale the ranks in business by gathering the necessary connections, advice and skills. We designed our space to suit different work and lifestyles.

value proposition

Workshed provides a new offering in collaborative working. Whether working in our coworking space, attending an event at the Shed, or receiving in house consulting services. Workshed creates an environment that fosters innovation and ideation. In a world where the only constant is change, Workshed helps our clients develop creative habits that put them ahead of the current, ensuring they are leading the competition.

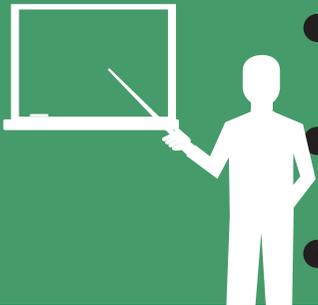

our services

Coworking

Members of our coworking space will get more than just desk space. They will benefit from an engaging environment, shared skills and resources, increased motivation, an expanded network of professional contacts, and sense of community. They will also receive priority access to workshops, talks, classes and social events.

Events, Classes & Workshops

In addition to providing event space, our talented team will organize a variety of classes and workshops on creative thinking, ideation techniques, problem reframing, presentation skills, project management and data visualization.

Consulting Services

For businesses that require more hands on assistance, Workshed can provide consulting services and employee training. Services will include: branding, innovative marketing, workspace and brainstorming facilitation.
