Northbrook, Illinois 60062

Dear Daniel:

As the Spiders are in the midst of our off season training and the season quickly approaches, I thought it would be a good time to drop you a note of appreciation. Just a look out the window is a reminder that being a boy who loves baseball in Northeast Ohio is not easy! Our kids will not hit a field until April at best and it will be inconsistent until May.

Your donation goes a long way towards facilities that provide us the opportunity to practice and develop regardless of conditions. In addition, your contribution helps with the cost of coaches, uniforms, and travel tournaments. More importantly your generosity has allowed us to ensure that this opportunity is available to all boys regardless of their means.

We asked each boy to write a few notes of appreciation. That note is attached. They all recognize and appreciate the role that you have played in the great opportunities they have as a member of the Spiders. If interested, you can follow us this season through our website which will contain our schedule and results (and our sponsor list). That address is www.spiderbaseball.com.

Most importantly, know that we remain committed to a positive youth sports experience that will not only provide the boys with a strong fundamental foundation but also a character forming experience that will give them lifelong lessons and strong values. We approach our program with a desire to compete but an uncompromising commitment to character development.

Thank you for your support. Know that we do not take it for granted and you will be proud of the boys and team you have sponsored.

With appreciation,

Mark Shapiro
