Sub: Approval of Fluoride Removal Technology

Sir,
As decided in the meeting of the Committee on Fluoride Task Force held on 31.03.2017, Hybrid Ion Exchange Nanotechnology offered by M/S Rite Water Solution (I) Pvt. Ltd., who installed their Pilot Plant at Nalhati School, Birbhum district, has been approved after successful evaluation of its performance.

However, to cater the greater need of water supply, the upscaling of the plant may be upgraded

Thanking you,

Yours sincerely,

(Dr. S.P. Sinha Ray)
Chairman, Fluoride Task Force
