

The **Freehold Borough Arts Council (FBAC)** is a registered not-for-profit corporation established in January 2011. The core focus of the FBAC is to encourage public interest in the arts, enhance cultural awareness, & provide assistance & services to arts organizations, institutions & individuals through educational outreach efforts & charitable campaigns.

The FBAC is helping address the unmet needs of an under served arts community in both Freehold Borough & Western Monmouth County. Your patronage will help the FBAC to **“INSPIRE, PROVIDE, & CHAMPION The Arts”** in order to build a greater cultural community.

Your generous support will grant the FBAC an opportunity to work with other civic minded partners & organizations to foster the development of Freehold Borough as an historic institution & cultural destination providing area artists & patrons a venue for artistic understanding & enjoyment as well as cultivate civic pride to aide in the continued improvement and quality-of-life for the community we serve.
