

# TIME FOR TXSC **CAMP**

## TIPS FOR PACKING

### GENERAL TIPS

- » **The key is : Casual Comfort. This is CAMP, not NYFW.**
- » **We're providing a towel, washcloth, blanket, sheets, and a pillow for everyone.** You may want to bring supplemental blankets or a sleeping bag (especially if in Standard, Roughing it, or Primitive).
- » **No judgement for unwashed hair, repeat wearing, or sweats.** We're not there to impress. We're there to recharge.
- » **Pack light!** Parking is a bit far away from your cabins.
- » We have a great photographer documenting everything, so if you only want to bring your phone for photos, that's okay.

### BRING:

- ✓ **Comfy, closed-toe shoes** (rocks! cacti!) - Think Minnetonkas or tennis shoes.
- ✓ **PJs & casual wear**
- ✓ **Toothbrush & toothpaste, deodorant**
- ✓ **Business cards** (100 should be enough, 200 to cover everyone)
- ✓ **Workout clothes** (for setup volunteers and anyone wanting to do the morning yoga)
- ✓ **Sunscreen & shades**
- ✓ **A notebook**
- ✓ **Phone charger**
- ✓ **An outfit for Saturday's Khaki Cool Jamboree** - Think shades of cream, white, and gold. Or go full on Troop Beverly Hills or Moonrise Kingdom.

### DON'T BRING:

- ✗ **High heels** - They are *literally* against camp ground rules.
- ✗ **Laptops/iPads** - Wifi is unreliable, cell coverage is spotty. You will survive.
- ✗ **Valuables** - Cabins cannot be locked during the day. Bring a luggage lock if needed.
- ✗ **Dresses or Skirts** - There will be a lot of floor/ground sitting, so these may be a tad out of place.
