Race Recaps

FUZE Empower

is a flavor inspired by the breast cancer movement, created to help promote efforts in finding a cure. FUZE has also donated \$650,000 to Susan G. Komen for the Cure®.

Meet the Heroes for Hope

Jean Criss

I am participating in the Race for the Cure with the hopes of raising as much money as possible to fund our community programs in the areas of screening, treatment, research and education. The past 12 months have been a learning experience for me while I became a cancer survivor, having undergone numerous surgeries for bilateral breast cancer. I know what it means to be a survivor! During my personal defeat, I was appointed to the Board of Trustees of the Susan G. Komen North Jersey Affiliate and am proud to contribute to this organization at many levels.
