

## Quality Policy

Crompton Mouldings Limited is a rotational moulding business offering a comprehensive service tailored to suit each customer's requirements. Our service ranges from simply manufacturing products to a customer's requirements using their mould to the more complex process of developing a customer's concept into an agreed design and then managing the entire process from mould tool design through to production and production delivery

We have established this Quality Policy to be consistent with the purpose and context of our Organisation. It provides a framework for setting and reviewing objectives in addition to our commitment to satisfy applicable customers' regulatory and legislative requirements and our commitment to continually improve our Quality Management System.

**Customer Focus** as an Organisation we have made a commitment to understand our current and future customers' needs, meet their requirements and strive to exceed their expectations.

**Leadership** Our Top Management have committed to creating and maintaining a working environment in which people become fully involved in achieving our objectives.

**Engagement of People** as an Organisation we recognise that people are the essence of any good business and that their full involvement enables their abilities to be used for our benefit.

**Process approach** As an Organisation we understand that a desired result is achieved more efficiently when activities and related resources are managed as a process or series of interconnected processes.

**Improvement** We have committed to achieving continual improvement across all aspects of our Quality Management System.

**Evidence-based Decisions** as an Organisation we have committed to only make decisions relating to our Quality Management System following an analysis of relevant data and information.

**Relationship Management** the Organisation recognises that the relationship it has with its external providers are interdependent and a mutually beneficial relationship that enhances the ability of both to create value.

Our Policy is also to meet the requirements of other interested parties and in meeting our social, environmental, charitable, regulatory and legislative responsibilities.

We have produced Quality Objectives which relate to this Policy

This Policy is available to all interested parties as well as being made available to the wider community.
