

Dear Sir or Madam,

I am a frequent shopper in your store and have noticed that you do not carry I Heart Keenwah Quinoa Puffs. I think you're missing out on a great opportunity! I Heart Keenwah Quinoa Puffs are a delicious way to eat quinoa. They are also one of the only non-corn puffs on the market. All the puffs, except cheddar, are non-GMO verified and vegan. They are also all certified gluten free.

I am requesting that you please carry this product in your store. I'm sure I am not the only customer that would benefit! If you would like further information on the product and how to sell it, please email info@iheartkeenwah.com or 1-844-KEE-NWAH. To the extent its helpful, the company says their products are available through most major distributors, such as UNFI and KeHE.

Thank you for your attention to this matter.

Sincerely,

I HEART
KEENWAH®
