As APIC’s representative to state and local policy makers on public policy matters, the Chapter Leadership Representative (CLR) is a high-level officer of his/her chapter. The CLR serves as the major link between his/her Chapter, APIC headquarters, and the Public Policy Committee. The success of APIC’s public policy initiatives are highly dependent upon the support and energies of the Chapter members, particularly the CLR.

APIC Public Policy department is responsible for issuing communication, via the CLRs, to keep Chapters apprised of the program’s various activities including position statements. CLRs are expected to relay this information to all Chapter members.

The dynamic partnership between APIC Chapters and Headquarters depends on effective two-way communication for matters of public policy. The APIC Public Policy staff provides Chapters with updated state and federal legislative information on issues related to infection prevention, and posts their information on APIC’s website. APIC will help the organization provide guidance to Chapters, respond to emerging issues and develop new policies as needed.

SERVING AS CLR

1. The CLR must be an active member of APIC-DFW

The CLR is responsible for representing APIC’s policy position to Chapter members, APIC allies and partners, and policy makers. CLRs should use care to ensure that legislative and regulatory position expressed by Chapter members are consistent with APIC headquarters.
5. The CLR and the Chapter are account able to the APIC Board of Directors and are required to support and accurately represent APIC policy positions.
6. The CLR will provide APIC Public Policy Reports at all Chapter meetings
7. The CLR will mobilize Chapter members to respond to issues, when requested by APIC headquarters, and provide necessary follow-up to both Chapter members and Headquarters.
8. The CLR must have access to email to receive communications and requests for action from APIC Headquarters, and to contact chapter members. Further, the CLR must respond to APIC Action Alerts, Notices and other communications in a timely manner, or by the designated deadline.
9. The CLR will share major outcomes of Chapter grass roots efforts with the APIC Headquarters.
10. The CLR must be willing to participate in APIC CLR training webinars and the CLR meeting at the Annual Conference
11. The Chapter President shall appoint the CLR. The chapter shall assure that a high level of continuity exist in the transition of one CLR to another, implementing system whereby a CLR’s term and responsibilities allow for the successful mentoring of a successor. Given the volume and complexities of ongoing regulations and legislation surrounding infection prevention, it is imperative that the role and transition of the CLR be honed and made as smoothly as possible. This can best be accomplished through the successful mentoring fan outgoing CLR to her/his successor.
