# Mudgee News

**If your child has a change of routine please send a note to the classroom teacher.  
In the case of an emergency please call the office before 2.00pm.**

### **Annual School Report Published**

The School's Annual School Report was uploaded to our School Website last week. The Annual School Report provides the community with the progress the School is making against its School Plan. It also indicates where funds are spent to support student learning at the School.

### **New Flashing Lights**

Over the next few weeks, extra 40km flashing lights will be installed in Denison Street to inform drivers of the 40km/h speed limit during the morning and afternoon school zone times. With Mudgee High, our School successfully applied for these in 2016.

### **2018 Kindergarten Information Evening**

The first of our Kindergarten Information Evenings will be held next Wednesday May 17 at 5.30pm in our Infants' Hall. The evening highlights the programs and resources available to kindergarten students at Mudgee Public for those commencing in 2018. The School provides a child minding service whilst this presentation occurs. The presentation usually lasts for around 45 minutes.

## Life Education Merchandise

The sale of Harold merchandise to the children whilst the program is visiting each school supports our overall fundraising activities and helps cover the gap between the cost of delivery and what parents and schools pay for our program.

The educator will provide the opportunity for children to purchase these products during the school visit. Please provide the **correct money** in an envelope with the item written on the face of the envelope .

Thursday 11 May – Infants & Primary.

**Tattoo 50c**

**Harold bouncy ball \$3**

**Sticky note pad \$1.50**

**Small Harold soft toy \$8**

**Large Harold soft toy \$15**

Cancer Council NSW Nutrition Snippet

**The simplest way**  
...to choose the best lunch box drink.

When it comes to packing a lunch box drink, water is the best choice!

Milk is a great drink too – add a plain milk popper to the lunch box as well to give kids a calcium boost.

Drinks such as fruit juice, cordial, flavoured mineral water, soft drink and sports drinks are high in sugar and low in nutritional value. So limit or avoid these drinks.

It is best to only drink juice occasionally and it should not be packed in the lunch box. Avoid “fruit drinks” as these are just sugar water and a little juice.

Remember, water is essential so make sure you pack a bottle of it in the lunch box every day.
