TECHNIQUE CLASSES

HAND QUILTING

If hand quilting is on your summer to do list, we have the class for you. Not only will you learn the rocking stitch to give you small and even stitches, you will also learn how to use hand quilting to enhance and embellish your piecing.

In the first session we will cover the supplies needed for a successful start along with the hand quilter's rocking stitch and how to tie a quilter's knot. The second session will concentrate on how to mark your top and the many options available to do it and practice with the rocking stitch. At the third session you will learn how to design a quilting pattern for your tops with plenty of examples and patterns for traditional, modern and art quilts. Plus, we will do more practice. Bring your tops for us to evaluate and suggest designs for easy and beautiful quilting.
