

Dear Friends and Members of St. Martin:

It is in times of uncertainty that we most earnestly seek the protective hand of our living God. We have seen the devastation of Hurricane Harvey in Texas and the response of love and compassion provided by so many to the afflicted there. We now find ourselves preparing for a hurricane that could cause serious damage to our region. I ask that in this time of uncertainty you remain prayerful. Ask God for His protection of all persons who are now, and who will soon be, in the path of Irma. I also ask that you take every precaution to prepare for a potential landfall this weekend. Please let me know if you are in need of assistance at this time and if you would like a call after the storm to determine your status. If the hurricane's trajectory continues to project landfall, or a close passing by our area by this Thursday, I will inform you of the status of our Sunday Service schedule. The office will be officially closed Thursday and Friday as we prepare the St. Martin property and our homes for the Storm.

Please let me know if you are in any need of assistance as you prepare.

Pray, pray that all persons will remain safe!
In the Protective Love of our God,

Fr. Bernie+
