Dear Members & Friends of St. Martin:

Fr. Bernie did a walk-through of the St. Martin campus yesterday (Monday, 9/11). He found the following:

- No windows are broken.
- The roofs held.
- The church has no power and no water, as the lines to the church are broken.
- There was water intrusion in the east of church, and an accompanying smell of mold.

Working with staff and vestry officers, Fr. Bernie will be making an assessment today. It's too soon to determine if we will have worship services this Sunday, 9/17. A decision will be made ASAP.

Continue to watch email, social media, and/or the St. Martin website for further information.

## A Prayer After the Storm

Loving Lord, we pray to you, trusting in your mercy and knowing that your steadfast love endures forever.

Look with mercy on those who have been harmed or displaced by Hurricane Irma. Grant us your strength to meet the days ahead, and give your peace which passes all understanding and new hope in the resurrection to all in any need. Be the strength of those who are able to give aid, that we may be your hands and heart for our sisters and brothers. And give us all the assurance of your presence even in this time, so that we may rest secure in your promise of hope and life shown to us in Jesus Christ, our Savior and Lord, who lives and reigns with you and the Holy Spirit, one God, for ever and ever.

Amen.
