

To Whom It May Concern:

This letter confirms that \_\_\_\_\_ will be attending SUM Bible College and Theological Seminary's "Lead Now" gathering. This event will take place from February 23, 2017 to March 1, 2017 in New Orleans, Louisiana.

SUM has extension sites and cohorts all over the United States and this event serves as our National Campus Days. We humbly ask that the student be excused from school for those days so that they may explore the possibility of studying at SUM Bible College and Theological Seminary in the future.

Please feel free to contact me if you have any questions about this event or the student's participation.

Thank you,

Crystal Gonzales
