BIG DAVE'S SANGRIA

The singing bartender also makes a mean Sangria. He came across secret family recipes while backpacking thru Spain searching for the meaning of life. He quenched his thirst often as he wandered aimlessly from town to town and bar to bar, playing his ukulele and singing a song . . . then he woke up and was still in Wisconsin. 8.95

HIP HOPS

"Beer is proof that God loves us and wants us to be happy." Ben

PERONI Italy's #1 premium beer, a crisp and refreshing lager with unmistakable character and a touch of Italian style . . . sorta like Sophia Loren wrapped in mink. 5.25

LAGUNITAS IPA Ruthlessly Delicious. A well-rounded, highly drinkable IPA. A bit of caramel malt barley provides the richness that mellows out the twang of the hops. 5.95

SIERRA NEVADA KELLERWEIS HEFEWEIZEN Brewed in open fermentation tanks, a process rarely seen today, lets the ingredients truly shine. The result is a hazy wheat ale—untamed, raw and alive. With a full, fruity aroma and notes of spicy clove and banana bread 5.95

SAM ADAMS "SEASONAL" Distinctive, flavorful beers capturing the essence of the season and pushing the boundaries of brewing . . . all for the love of beer! 5.25

HEINEKEN 'LIGHT' The other green bottle. I popped one the other day hoping for the James Bond experience . . . but alas, no casino, no women, no fast cars. Just a whole lotta less calories. 5.50

DEEP THOUGHTS Sometimes when we drink late at night, we think about happiness, and how we tend to forget that it doesn't come as a result of getting something we wanted, but rather recognizing and appreciating what we do have, like the wine in our glass, the food on our plate, the company we keep, and the Harley in the garage.
