EXPERIENCE

COLLINS

FREELANCE GRAPHIC DESIGNER - MARCH 2015 - MAY 2015

My team was responsible for several aspects of the corporate rebrand of the global supply chain and platform solutions company, CHEP. My responsibilities included the creation of the brand identity standards manual (outlining the design of all corporate collateral, from stationery and marketing materials, to truck-wraps and corporate building signage), infographic and type layout design for CHEP "Solutions" brochures, and style frame layout for the touch-screen interactive trade show experience.

GLAMOUR KILLS CLOTHING

GRAPHIC DESIGNER - MAY 2014 - JANUARY 2015

Working directly under the creative director, I was responsible for the creation of all apparel artwork and select marketing material for the brand's Men's and Women's collections. Responsibilities included oversight of the entire design process: trend research and concept generation; full development of all apparel graphics; creation of production-ready CADs, tech-packs, and print separations; communication with printers and approval of all production samples.

MISHKA NYC

DESIGN INTERN - SUMMER 2012

Contributions include the design and illustration of the 2012 Harvey Comics x Mishka Capsule lookbook. Creation of several illustrated t-shirt graphics; leading to an on-going freelance relationship with the brand.
