Best of Science short list for 2011 – *Wall Street Journal*

Notable Regional Titles in 2011 – *Cascadia Weekly*

Honorable Mention, ForeWord Book of the Year Awards

“...Exciting new trends in natural history..... there can be no better introduction to these trends than Fleischner’s anthology.... Most of Fleischner’s contributors offer completely new insights....”--Gary Paul Nabhan, *Bloomsbury Review*

“This eclectic collection has much to offer anyone who cares about the environment, sustainability, and, yes, nature”  
–Nancy Baron, *SEJournal* [Society of Environmental Journalists]

“A collection of compelling essays....this book is a welcome reminder that our relationship to nature might be much better if we simply started paying some honest and accurate attention to it” – *San Antonio Express-News*

“A gem of a little book” – *Terrain.org*

“There is so much to admire in these pages, and to love.”  
–Loree Griffin Burns, *A Life in Books* blog

“Nature writing with a contemplative bent” – *Shambhala Sun*
