

# **MVMT Dance Center Picture Day**

**Saturday - June 3, 2017**

I am excited to be returning to create more wonderful memories for you this year along with MVMT Dance Center. Below you will find some important information that will need to be read over carefully. We have tried to make this as easy, and as accommodating as possible to suit all your portrait needs.

- **There will be three picture packages available (A, B, and C), as well as individual prints that can be purchased separately. The individual prints will allow you the option of customizing your image sizes to suit your needs, and not being tied to the sizes in the packages. The individual prints will be charged per print.**
- **All of the packages will be of ONE pose, packages WILL NOT contain multiple poses or siblings with different images in the same package.**
- **Each dancer needs to fill out their own order form. Siblings cannot be combined on the same form as their individual poses. However, they can be photographed together. For example, if two sisters are taking individual poses, as well as a shot together, three separate forms need to be filled out. One for each sister, and then one for their pose together.**
- **Your images will be available to you approximately 6-8 weeks from the day the images were taken.**
- **Once you receive your images, please check everything over and contact me if there are any problems or concerns within two weeks from the date of distribution. After the two week period, the images will be removed from my system, and no longer available.**
- **Payment options are check or cash, no credit or debit cards, and due the day the pictures are taken. No refunds! There is a \$30 service charge on any returned check.**
- **Please make checks payable to Karen's Clix Photography.**

**\*PLEASE KEEP THE INFORMATION ON THIS ORDER FORM TO REFERENCE AT A LATER DATE IF NEEDED.**
