

Builder's Club and K-Kids Club Chartering Kit

Tips:

- **Involve Kiwanis:** Make sure that the club's Kiwanis Adviser is attending as many meetings as possible, and ensure that the club's Faculty Adviser is attending as many Kiwanis meetings as possible.
- **Unite the Kiwanis Family:** To involve the Builder's/K-Kids club with the Kiwanis Family, plan service projects and outings with other branches of the Kiwanis Family, including Key Club, Circle K, Kiwanis, and Aktion Club.
- **Keys to Success:** In order to ensure success, make sure that meetings are consistent and fun, continually recruit members, and maintain a steady flow of communication between you, the Kiwanis Adviser, and the Faculty Adviser.
