

The Carolinas District has been dedicated to serving our District Project, the Boys and Girls Homes, for more than 50 years. Because of members like you, we are able to help provide for the Boys and Girls Homes by raising thousands of dollars, giving vans through the “Keys to the Vans” project, and by donating countless of items to help those who reside at the Boys and Girls Homes of Lake Waccamaw.

How Can You Help?

- Host a fundraiser to help raise money to support everyday necessities.
- Donate gently used items to their Country Store. This thrift shop offers financial support for the Homes.
- Donate gently used prom dresses at District Convention!
