SUNDAY - OCTOBER 9, 2022

Schedule of October 9 activities:

9:00 am - 9:30 am	Arrival and check in at the Palladium
9:30 am - 11:45 am	Fall Rally event - rolling sessions
11:45 am - 5:30 pm	Fun in the theme park

What is the purpose of a Fall Rally?

To provide an opportunity for Key Club members in North and South Carolina to gather in the early part of a new academic year and become motivated about Key Club, hear inspirational speakers, learn about service leadership programs, and share ideas through an exciting one-day event at Carowinds.

Who can attend?

Anyone in your school, including both Key Club members and students who might want to become members! We encourage club officers to attend, but everyone in your school is welcome! Want a great project idea? Team up with your sponsoring Kiwanis Club to bring community children with you that might never get a chance to go! An ALL INCLUSIVE package is available for only \$60.00, or you can pay the Fall Rally only price of \$35.00 per person that includes Carowinds admission and Fall Rally programming, with options to buy a wristband for unlimited soft drinks in the park (\$10.00) and an all-you-can-eat group lunch (\$15.00). The lunch menu includes Chicken Tenders, Hot Dogs, Creamy Mac & Cheese, Sweet Kernel Corn, Potato Chips, Fresh Fruit and Soft Drinks, and will be served from 11:30 am to 12:30 pm in the picnic area near the front entrance. The ROSE ROOM is again open ALL DAY for all advisors!

ALL INCLUSIVE Package! AND Incentives!

This Package includes Fall Rally/park admission, all-you-can-eat buffet lunch (served from 11:30 am - 12:30 pm), and an all-day soft drink wristband.

The more people you bring to Fall Rally equals greater incentives. Clubs buying at least 25 park tickets and/or ALL INCLUSIVE packages will qualify for free park tickets. Please see the registration page for details. To qualify, all students (Key Club members and non-Key Club students) must be from the same high school. Sorry, extra students that you may bring and pay for on the day of the Fall Rally do not count towards the incentive, and clubs cannot combine attendees with those from other schools to meet the required minimums.

What is the schedule for the day?

Your club needs to arrive between 9:00 am and 9:30 am. After your advisor handles all paperwork and receives your tickets and materials, your club will enter the Palladium area for current year Fall Rally events and programming. The Fall Rally will end no later than 11:30 am, giving your club the rest of the day for you to enjoy Carowinds!

What if the drive is too far for our club to come up on Sunday?

The Carolinas District is not providing housing for this event. The decision for individual clubs to come to Charlotte the night before the event is the choice of each club and its advisors. Please note that this event is not chaperoned by the Carolinas District, and that your club is responsible for satisfying your school's requirements for school trips and chaperoning. The Carolinas District is hosting this event at Carowinds, but assumes no responsibility for the individuals that may choose to attend this event.

Can I register and attend the Fall rally on my own?

While Fall Rally is open to all schools with Key Clubs, we do not register individual members. Your Fall Rally registration must be completed for all members of your club that wish to attend. You must also have at least one responsible adult to check your group in at the registration area and receive your Fall Rally materials, tickets and park admission. Sorry, multiple registrations per club cannot be permitted. All registration forms submitted must be signed and acknowledged by an advisor.

What are the requirements for chaperones?

Carolinas District Key Club expects all Key Clubs to adhere to Kiwanis Youth Protection Policies and Procedures (Kiwanis Policy 432). Advisors, please read, comprehend and adhere to requirements for chaperones as detailed in Kiwanis Policy 432. Detailed information can be found here: <https://www.kiwanis.org/clubs/member-resources/training/risk-management/youth-protection>. Special attention should be noted for the following portion of the policy: A minimum of one adult per 10 students must be serving as chaperones during the entirety of the event. All chaperones (Kiwanis club members and non-members) participating in any single-day or overnight service leadership program event must have a clear criminal history background check and must have completed Kiwanis International annual youth protection training. Additionally, chaperones must follow all applicable policies and procedures as detailed in Kiwanis Policy 432.

How about COVID related issues?

Advisors will be expected to have signed Kiwanis International mandated COVID waivers completed for each attendee from their school. Waivers will be collected at registration. Non vaccinated attendees will be required to test (home test ok) within 2 days of the event, and the results must be negative for attendance. Any last minute replacements must also complete the COVID form in advance. Waivers can be found at www.carolinaskeyclub/fallrally and will be provided with confirmation information. **PARENT OR GUARDIAN signature is required.**

What if I oversleep or get sick and cannot attend the Fall Rally after I have paid?

When your funds have been submitted to us we will make all necessary arrangements for your day at Carowinds. While refunds are not permitted, the Carolinas District allows for substitutions on the day of the Fall Rally. The approval of any replacement would be the responsibility of the adult/advisor for your club; please discuss this provision with the appropriate advisor leading your trip. Adults checking your group in will also be given the option of donating your unused ticket value to Boys and Girls Homes of NC.

What if the weather looks bad on the day of the Fall Rally?

Fall Rally will be held as scheduled unless Carowinds closes for the full day. Even if weather threatens, provisions will be made to hold the Fall Rally and necessary adjustments will be made in programming to insure as much time in the park for attendees as possible.
